RECOVERED MATERIALS DETERMINATION FORM

(Part 1) Design/Procurement

INSTRUCTIONS

This form is to be completed by the requiring activity when EPA-designated items are applicable to the requirement. For questions on whether the product counts as "EPA-designated" or what the required recycled content is, refer to product descriptions on EPA's website at www.epa.gov/cpg/products. This form is not required for construction item purchases less than \$2,000, or for other purchases less than \$3,000. The completed form becomes part of the contracting office contract file.

PROCUREMENT TITLE: DBEH 13-1523 RPR Hgr U, Fac 1744 CCAFS

PROCUREMENT REQUEST NO. _____

PART 1: RECOVERED MATERIALS DETERMINATION

Part 1 shall be completed by the specifying authority when requesting a procurement action.

EPA-DESIGNATED ITEMS

(Place a check mark next to each product that applies to this procurement)

Construction Products:

- Building insulation
- Polyester carpet
- Carpet Cushion
- Cement & concrete containing:
 - Coal fly ash
 - Ground granulated blast furnace slag
 - Cenospheres
 - Silica fume
 - Floor tiles (rubber & plastic)
 - Flowable fill
 - Latex paint
 - Laminated paperboard
 - Modular threshold ramps
 - Nonpressure pipe
 - Patio blocks
 - Railroad grade crossings/surfaces
 - Roofing materials

RECOVERED MATERIALS DETERMINATION FORM

(PART 1) Design/Procurement (Cont'd)

PROCUREMENT TITLE: DBEH 13-1523 RPR Hgr U, Fac 1744 CCAFS

PROCUREMENT REQUEST NO. _____

FAR 11.002(c) requires the establishment of statements of work and specification requirements for the procurement of products containing recovered materials and environmentally preferable and energy-efficient products and services.

If no EPA designated items were checked on page 1, than check box A:

A. I hereby certify that no EPA designated guideline items are included in this procurement action

If any EPA designated items are checked on page 1, than mark box B or C:

B. I hereby certify that the EPA recycled content requirements have been specified for all of the designated guideline items in this procurement action

OR

C. I hereby certify that the EPA recycled content requirements have been specified for all but the following designated guideline items for which compliance with EPA standards is not attainable.

If Box C is checked, list each designated item and the corresponding justification number from the list below for each exemption being claimed. Attach the supporting documentation for each waiver.

The exemption being claimed for this purchase is:

1. The product is not available competitively (from two or more sources) within a reasonable time frame;
2. The product is only available at an unreasonable price (based on a life-cycle cost analysis);
3. The product does not meet appropriate performance standards (in accordance with National Institute of Standards and Technology (NIST) guidelines.)

Designated Item
