L-1 PROPOSAL PREPARATION INSTRUCTIONS

A. To assure timely and equitable evaluation of proposals, offerors must follow the instructions contained herein. Proposals must be complete, self-sufficient, and respond directly to the requirements of this solicitation. Alternate proposals will not be accepted.

B. Format for proposal shall be as follows:

1. Electronic Copy

Please submit your proposal via email. Distributed material will be identified as source selection sensitive and distribution will be strictly limited to appropriate personnel. Should you object to your proprietary information being shared between source selection evaluators and advisors via commercial email as described above, please advise Contracting Personnel using the contact information above. Covers for tables of contents, indices, title pages, cross reference indices, and section dividers/tables will not be included in the page count if they are inserted solely to provide ease to the reader in locating volumes/sections of the proposal. They will be counted if they contain any other information, (e.g. diagrams, extraneous data, etc). Pages marked "This page intentionally left blank" will not be counted.

2. Type face shall not be less than 12 font, with 1" margins on all sides. Smaller, legible font size, no smaller than 6 point, may be used for charts and tables.

3. Elaborate formats or color presentations are not desired or required.

4. Electronic copies shall be searchable documents.

5. The estimated magnitude of construction for this project is between \$500,000 and \$1,000,000.

6. Specific Instructions:

Documents submitted in response to this RFP must be fully responsive to and consistent with the following:

Volume I - PRICE PROPOSAL

A. Complete blocks 14 (to include CAGE Code), 15, 16, 17, 19 (if applicable), and 20A-C of the SF 1442, Solicitation, Offer, and Award. An authorized official of the firm must sign and date the SF 1442 in Block 20A-C. In doing so, the Offeror accedes to the contract terms and conditions as written in the RFP Sections A through K. These sections constitute the model contract.

B. Complete the necessary fill-ins and certifications in Sections I through K. For Sections C through I, the Offeror shall submit only those pages that require a fill-in. Section K shall be submitted in its entirety.

C. Acknowledge all amendments issued to the solicitation.

VOLUME II -TECHNICAL PROPOSAL

Offerors must meet a standard in all sub-factors of the Technical Factor in order for their technical proposal to be determined "technically acceptable." The standards are defined in Section M for each sub-factor.

A. Project Approaches: Offeror shall provide a narrative detailing its approaches to the design, constructability, environmental compliance, mobilization, safety and quality control of this project. The narrative shall include an understanding of the various efforts, permits, codes and disciplines required to complete the project.

B. Technical and Management Approaches: the Offeror demonstrates their process of meeting the requirements of this RFP, Statement of Work (SOW), and attachments. The Offeror shall identify key personnel, teaming partners, and subcontractors, their roles in this project, their applicable qualifications, certifications, and specialized experience, and how they will ensure the requirements within the RFP, SOW, and attachments are met.

C. Proposed Schedule: The Offeror shall provide a proposed schedule capturing all SOW requirements, execution timelines and critical path items to include the demonstration of coordination of work activities, phasing, adverse weather considerations. Offeror may use the AF Form 3064 or similar along with a narrative to demonstrate delivering the project on time.
