RE: Grayton Beach Transit Facility – Approval Letter
RU File # 123-012

Dear Mr. Jernigan:

All previous comments have been addressed for the above referenced project, and plans have been approved.

The following items must be completed in order to schedule the pre-construction meeting with Regional Utilities and Walton County.

- Please contact Mrs. Lois Dismukes, Regional Utilities' Office Manager, at your convenience for coordination and payment of the impact fees. Contact Lois at (850) 231-5114.
- Regional Utilities will sign and release the FDEP permit applications once the fees have been paid.
- Once FDEP has issued the water and sewer permits, a pre-construction meeting can be scheduled with Regional Utilities and Walton County. This meeting is to be held on site. This meeting shall be attended by the Engineer of Record, General Contractor (Underground Contractor), and the Walton County DO Inspector. Contact Randy Taylor at (850) 231-5114 to schedule the meeting.

Sincerely,

A handwritten signature in blue ink, appearing to read 'RAD', is written over a faint, light blue circular watermark.
